Vice-chairman: Mark Vining.

Secretary-treasurer: Curt Black.

SPECIAL PROGRAM FOR THE ANNUAL PARTY

A special program has been arranged for entertainment at the December party. Charley Anderson, Mark Vining and other participants will show slides and maps of the extraordinary progress made this year in the glacier caves of Mount Rainier.

Because several out-of-grotto guests didn't like the idea in the past, there will be no dollar-a-helping roast beef this year. Strictly potluck.

As we go to press, there has been no announcement of whether the Larsons will again have their customary New Years Eve cavers' party. By the time of our party, we should know one way or the other.
